

GUS GARCIA YMLA PTSA

2017-18 ACCOMPLISHMENTS

FUNDRAISING

We started the school year with a zero dollar balance and raised over **\$5,500** by selling t-shirts and concessions, hosting a school dance, soliciting parent donations, and more! Our in-kind donations were valued at around **\$4,000!**

ATTENDANCE PARTY

Attendance goes hand-in-hand with school success. We sponsored an ice cream party for students with perfect attendance and ones that had significantly improved their attendance rate.

FIELD TRIP

Our 7th graders have had a fantastic school year. We sponsored their field trip to GattiTown to reward them for all their hard work.

8TH GRADE GALA

Graduations are a fun time to celebrate and review our students' accomplishments. Our 8th Grade Gala : "Epic Exit to Excellence", co-hosted by the school, is a night of food, fun, and celebration for our eighth graders and their families.

STAFF APPRECIATION

We love our Garcia staff! For Staff Appreciation Week in May, we sponsored a cookout, organized a large catering donation from Texas Roadhouse, and gave out treat bags for all our school staff!

SNACK DONATIONS

Healthy snacks are important to keep students focused during the day. We organized a community donation of over 2,000 snacks to support our students during STAAR test preparation.

THANK YOU!

We appreciate the teachers, staff, and administrators who worked closely with us to make all of this possible.

We encourage more parents, teachers, and staff to get involved to help us grow and to shape our goals for the next school year!
